within the next couple of months, although it would be even better if we as a collective was able to convince people to walk to school, rather than being dropped off at the front gates I know that's a difficult decision for some people, but I hope one day that we can reach that.

At the time of writing this, it was nice to see that the rain has ceased, and we are now into warm spell of weather. I'm sure everyone of us will be taking advantage of it, because within 4 to 5 weeks the nights will be drawing in, we seem to look forward to the summer months all year and within 6/8 weeks we're heading towards autumn again, we all moan about the weather in the UK but rather than having sun 365 days a year I actually enjoyed the seasons and I hope you do too.

So as far as the council is concerned with our redevelopments, the marketplace will shortly be out for final designs, along with Pier Gardens and I'm pleased to say that Sea Road development is now on the way. I know there will be people inconvenienced by the works but please bear with us, as the saying goes, there's no gain without pain.

I hope you all enjoy the rest of the summer,

Clr Hayden Dawkins

## Ward Councillor Notes

In May 2024, I was fortunate enough to be reelected to the council and I would like to take this opportunity to thank each and everyone of you that voted for me. I will repay that faith and continue to fight for our ward. Shortly after my election, along came the national elections and I was pleased to see Martin Vickers was elected back into office, he has done a lot for the area in the time he's been in office, during the General Election campaign your ward councillors spent many hours with Martin knocking on doors in our ward of Humberston and New Waltham. It was a good opportunity to meet so many people and listen to their views etc. Also to witness first hand how hard Martin worked to be re-elected and I'm sure that hard work will continue.

During my election campaign, I spoke to many people and I could see what it meant, that we was able to stop some developments happening locally Midfield Rd., Church Lane etc. but obviously after the election result in July, the fight may again appear on both these sites. I hope that's not the case but if it is , all three of your ward councillors will be fighting to hopefully make sure they don't get go ahead.

2024 has so far been very busy for us all, and I'm sure you will share my views that the recent riots that are taking place across the country is disappointing. It's disappointing that people want to destroy our towns and cities throughout the UK, it's something I am strongly opposed to and I hope that by the time you read this that everything has calmed down.

Since the last newsletter things have moved on with the toll bar drop off zone and we should see spades in the ground, hopefully

## HUMBERSTON VILLAGE COUNCIL— COUNCIL NOTES

Meetings are held on the first Tuesday of each month and then a Planning Meeting on the 3rd Tuesday. If there are any applications to consider. Meetings are held in the Queen Elizabeth Hall and agendas are published 6 days before on our website.

### Highways/Footpaths/Traffic Issues

A village walk-around had been held during July and NELC had noted some areas for action and taken them away for progress and/or consideration.

### Planning

The Village Council continues to receive consultation on many planning applications for Humberston and these are discussed at the Village Council main monthly meetings and also at an interim Planning Committee Meeting held mid-way through the month.

Residents are most welcome to attend and make the Village Council aware of any issues with planning. All Planning Agendas and Minutes are all on the Village Council website. The minutes show the Village Council's observations and comments on each application it considered.

### Wendover Paddock and Halls

Acoustic boards have now been fitted but need some slight adjustment with positioning. The Village Council has also upgraded its old CCTV system with new cameras and an updated system for protection in the Paddock and for both Halls. Thanks to Paul Allsopp at A and H security for this work for us.

The Council will also be providing a new piece of equipment within the Paddock this year and is just obtaining prices for doing so.

### Finance

The Council has now had its external audit completed and no actions at all were raised by the external auditors, PKF Littlejohn. Audit closure notice has been published and as usual, all information is available on our website at:

[www.humberstonvillagecouncil.com](http://www.humberstonvillagecouncil.com)

## Rainbows, Brownies and Guides

During the last term, the rainbow and brownies have been doing the region "May Day, May Day" badge which marks the 200<sup>th</sup> anniversary of the RNLI. The girls visited the local station and had a visit from a crew member to learn about safety by water. Both the rainbows and brownies held a fundraiser, baking cakes, making gifts, holding a raffle and name card. The total amount raised was £165.

After the summer break we will all be welcoming new girls into our sections. It would be lovely to welcome adults who would like a leadership role, especially in our rainbows.

We are now welcoming girls from the age of 4-7 into rainbow units, brownies 7-10 and guides 10-14. Both girl and adult enquiries are always welcome, whatever the age. If you find the evenings in Humberston do not fit in but you or your daughter fancy a new, fun packed adventure go to [www.girlguiding.org.uk](http://www.girlguiding.org.uk) and register your interest. Here you can enter your postcode, and this will bring up the units available, days and times. Once you have enquired the unit leader will be informed by email and will contact you. To speak to a local leader please call Theresa Barker on 01472 879928.

## WALK WELL GROUP

We meet on a Thursday at The Gingerbread House at 10am.

Everyone is welcome and our walks are suited to all abilities, with the walks lasting 40 to 70 mins depending which group you are with.

Contact details are Kathy

## Summer Clubs

Thanks to everyone who came along and supported the Summer Clubs on Fridays throughout August.

We had Andy Carr entertainment, Nunny's Farm, LC Fitness and Dance and then our very own Village-Council initiated craft and messy session!

These were free for local youngsters and thanks also to the adults some of whom stayed and helped us.

Refreshments were free to everyone, laid on by the Village Council, and the Village Council members and staff members helped man the sessions.

## Summer Event

Thanks to everyone who came along to our Summer Event in July 2024. Thanks to Cymbalism who entertained us during the afternoon, to those who entered our Village Show and baked, knitted, drew and made items—and special thanks to Mrs. Val Hyde for being our judge for the day. The games, which filled the old hall were particularly popular!

Thanks to Mr. Harrison for bringing the Ice Cream Van and special thanks to those friends of the Council who came along to help us man the bar, help with refreshments and the children’s games etc.

The weather wasn’t too kind to us on the day but we soldiered on and everyone seemed to enjoy themselves.

## St.Peter's Parish Church, Humberston

### Greetings from St Peter's Church

We hope you are all enjoying the lovely summer weather. It is perfect weather for a good harvest with the rain and the sunshine. Our next main festival is the Harvest Festival.

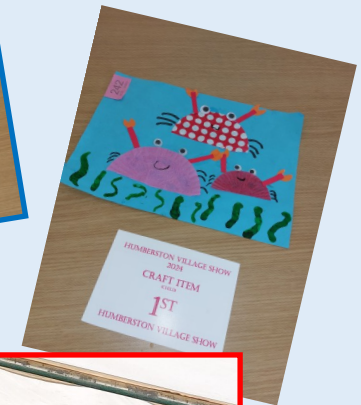

Here is a passage from Matthew 13: Verses 18-23

“Hear then the parable of the sower. When any one hears the word of the kingdom and does not understand it, the evil one comes and snatches away what is sown in his heart; this is what was sown along the path. As for what was sown on rocky ground, this is he who hears the word and immediately receives it with joy; yet he has no root in himself, but endures for a while, and when tribulation or persecution arises on account of the word, immediately he falls away. As for what was sown among thorns, this is he who hears the word, but the cares of the world and the delight in riches choke the word, and it proves unfruitful. As for what was sown on good soil, this is he who hears the word and understands it; he indeed bears fruit, and yields, in one case a hundredfold, in another sixty, and in another thirty.”

## CEMETERY NEWS

The landscaping works have now been completed and a big thank you to the team from Millstone Garden Centre for doing this for us in time.

As this magazine goes to press, the fencing around the perimeter of the site is being completed and in the Autumn hedging plants will then added to the fencing to grow a good hedged boundary to the site.

Next phase will be the pathways and making entrances from the old cemetery into this new part.

There will some new elements in the new part of the Cemetery with a central 'gazebo' area for seating and also we will installing some memorial fixtures where people can place a memorial plaque to remember those who are not interred into the cemetery. Further details of this will follow.

It is anticipated that the new extension may be able to be put into use in the new year at the beginning of 2025 but as with most things, it is weather dependent on completion for works.

## Humberston Fitties News and Events

Humberston Fitties owners continue to make good use of the Community Garden. Two main events have been held in the Garden, so far, this year. Events are organised by FOTA (Fitties Owners and Tenants Association). The Fitties Fun Dog Show took place on Sunday 5<sup>th</sup> May. The event was well attended and 16 canines brought along their humans to participate in the 10 classes. A family from the Haven caravan site, who had seen the poster and wanted to bring their pooch along, were made very welcome. All entrants received a bag of home-made dog treats which were kindly made by Alison Clay and Julie Connell. An afternoon of laughter and doggy antics followed, with many participants requesting that this event be repeated next year. Doug the bulldog was the winner of 'Best in Show' and 'Community Canine 2024', as voted for by the audience, was awarded to the westie Dave Drew.

The 80<sup>th</sup> anniversary of D Day was remembered by Fitties owners, friends and family on Sunday June 9<sup>th</sup>. Approximately 70 attendees were treated to a reading from youngsters Emily and Ava, which was followed by a quiz and prize Bingo. The highlight of the afternoon was the fabulous Swing Dancers who demonstrated some show dances and were then joined by some enthusiastic amateurs! The prize for 'Best 1940s Outfit' was awarded to the Canon family who were delighted with their prize; a tin of Spam.

In other news, congratulations are offered to FOTA Chairman Paul Bright, who has been elected as a local, Independent Councillor for Freshney Ward. A well-deserved win!

## Travel around Humberston for just £1 to get wherever you want in North East Lincolnshire

There are a whole range of ways to get around town, but none as cheap or readily available as the bus.

In Humberston, residents can access a number of services such as the 8, 9 and 10 to get them to where they need to go. What's even better though is the price it costs you to use them.

Number 8 – this service operates from Cleethorpes Pier to Grimsby Town Centre via Humberston, Scartho and Westward Ho and runs every 30 minutes.

Number 9 & 10 - this service operates from Tesco Hewitts Circus, to Waltham via North Sea Lane, Kingsway, Cleethorpes Pier, Grimsby Road, GY Town Centre, Bargate, Scartho Road, terminating on Barnoldby Road. Both services run every 30 minutes.

For just £1 after 6pm on weekdays and all day on weekends and bank holidays, you can get wherever you need to go across the borough. Whether you're travelling to a doctor's appointment or taking a trip into town, getting the bus is the easiest and cheapest way to do it.

Alternatively, you can download the Stagecoach app to find out everything you need to know about the buses in your area.

For less than the cost of an ice cream or a coffee, get yourself out and about and relax on one of the many buses travelling through Humberston.

As well as this, for those who are eligible, you can travel for free throughout North East Lincolnshire. If you have a disability or get a state pension, you can apply for a concessionary travel pass.

Recently, this service has been enhanced to allow pass holders to travel for free before 9.30am for on top of what was already available. Now getting to those early appointments can be a simple trip on the bus and one that won't cost you a penny either!

As we look to improve accessibility for buses in the area, we are also moving forward with additional double yellow lines along Humberston Avenue near to the Tetney Road end.

This is to help reduce issues for buses during peak times, such as school drop-offs and pick-ups. With the addition of the yellow lines, it will prevent cars from parking in areas where buses would usually stop, enhancing the punctuality of the service.

To see what services are available to you in your area, follow this link [Bus Journey Planner | Find Bus Routes | Stagecoach \(stagecoachbus.com\)](#)

*Note that the Village Council has some large paper copies of the maps in the Parish Office at Wendover Queen Elizabeth Hall. There is someone in the office on Thursday afternoons between 2 and 4 pm if you want to drop in and collect one.*
