***It's often hard for you to show to those both near and dear,
How much they really mean to you and that you really care.
At Christmas give the gift of time to those who need support,
Enjoy the moments that you have and hold them in your thoughts.***

Finally, an early Merry Christmas from your ward councillors. We hope that next year will be kinder to you all. Our details are: -

Ward Councillor Notes

Hello everybody, as we approach the season of goodwill, this year it will be especially difficult to experience the joy of the season. Many of our older residents have lost their winter fuel payments, a cruel and thoughtless measure by the new Labour government. It is especially hard as you will all be facing large increase in your fuel bills following the cap changes in October. In my own case, my monthly bill has increased by over 35%.

Given this sad state of affairs it is especially important that you all claim the support that is available to you, especially pension credit and single person discount on your council tax if you live alone and the council tax reduction scheme (this is means tested). Many of you will find it challenging to complete the forms to make these claims, but you can get help from:-

Citizens Advice bureau - tel 0808 2505701
Age UK - tel 01472 344976
NEL Council - tel 01472 313131 and ask for council tax team

Make sure you do everything you can to check whether you qualify for these benefits and others that may be available, such as attendance allowance (which is not means tested).

St.Peter's Parish Church, Humberston

Greetings from St Peter's Church

What a beautiful autumn we are having so far. Our Harvest Festival was very well supported and once again we have given the proceeds to the Rock Foundation, who are always very grateful for everything they receive. We will soon be celebrating Christmas starting on Advent Sunday, 1st December with our Angel Festival which will continue until 6th January, Epiphany. Why not follow our Angel Trail and pop along to see our wonderful display of angels. Join us for refreshments, activities, angel quiz and lots of fun on the mornings of 7th and 21st Dec. or the afternoon of 14th when we will have a Christman sing-along.

Here is a familiar passage from Luke 2: 8-12

And in that region there were shepherds out in the field, keeping watch over their flock by night. And an angel of the Lord appeared to them, and the glory of the Lord shone around them and they were filled with fear. And the angel said to them, "Be not afraid; for behold, I bring you good news of great joy which will come to all the people, for to you is born this day in the city of David a Savior, who is Christ the Lord. And this will be a sign for you: you will find a babe wrapped in swaddling cloths and lying in a manger.

CEMETERY NEWS

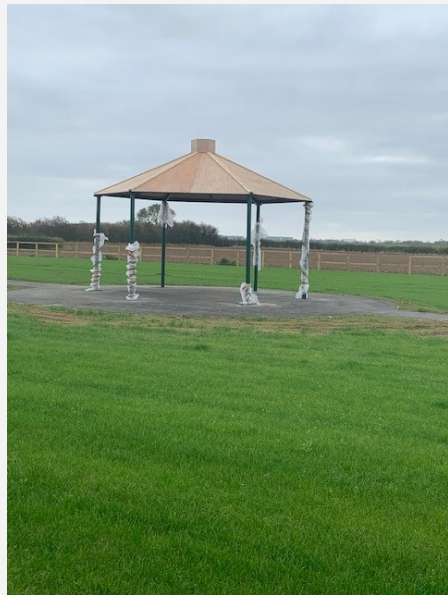

With the landscaping, pathways and fencing works completed, there are now some hedging plants to go in and this is being progressed. Water taps are also about to be installed.

The central gazebo facility is now in and the tiled roof was being completed as we went to press with this Newsletter. The Council will be installing some seating in the central area and a memorial are is also planned where people can place a memorial plaque to remember those who are not interred into the cemetery. Further details of this will follow.

It is anticipated that the new extension may be able to be put into use in the new year at the beginning of 2025 but as with most things, it is weather dependent on completion for works.

A big thank you to those who have helped bring this project to fruition—Millstone Garden Centre, QM Services Ltd.,

Hodson and Kauss and Specialist Surfacing.

- Remember that genuine callers won't mind checks. If you feel at all unsure, schedule a time for the caller to come back when a friend or relative is there?

For pre-planned appointments with utility companies, a password scheme can be set up.

2 – Residential Burglaries (break into your property to steal items)

There are a couple of things that we could consider when highlighting crime prevention, namely.

- If you are going away, consider having automatic plugin time switch to operate a lamp or light at pre-set times when you're away.
- Consider requesting a trusted relative/neighbour to look after your address whilst away.
- Consider having external lighting.
- Consider having a house alarm.
- Consider purchasing CCTV or ring doorbell.
- If you have gates or fences, please consider closing and locking them.

The team and I have conducted several foot patrols including plain clothes operations and was surprised to see the amount of insecurities within the neighbourhood. **Make your property looked lived in, even when you go out!**

The plea from your local Neighbourhood team, is look out for each other – check in on your neighbours and family. If you see or hear anything suspicious, can you please report it on 999 (in an emergency), 101 (non-emergency) or on-line.

As we approach the festive season, your local policing team would like to wish you and your loved ones a very Merry Christmas and a Prosperous New Year.

Kind Regards

Shaun, Dave, Jenny, and Emma

Protecting Communities, Targeting Criminals, Making a Difference

Dear Residents,

I appreciate that not everybody is registered on my community alert, or even have access to internet. That is why, I am grateful to the Parish Council for inviting me to write a message to you in relation to Burglaries. Your neighbourhood has recently been targeted for several burglaries and your local Police Team are doing all they can to prevent these from happening.

Burglary is an impactful crime on the victim, and only by working together and looking out for each other would we be able to prevent our properties from becoming a target.

There are two types of burglaries:

1 - Distraction burglary (Distraction burglars pretend to be someone they are not in order to gain entry to your home)

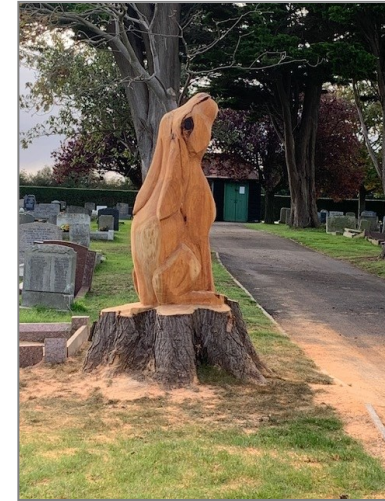

Common methods used by distraction burglars:

- Pretending to be from a care agency, the council or a utility company investigating a gas or water leak.
- Seeking help to leave a note for a neighbour or even asking for a drink of water if they claim to be thirsty or unwell.
- Claiming to be in a hurry or emergency and needing to get into your home quickly.

Working in teams, with one person distracting you while the other searches your home.

There are several things you can do to prevent distraction burglary. Always remember "if in doubt, keep them out":

- Use your door viewer to see who's there.
- If you open the door, put the chain on first.
- Always ask for ID and check it with the company before letting somebody into your home.
- Use the phone number advertised in the phone book or online, as the number on their identity card could be fake. For a utility company, call the customer service department. Close the door while you do this.

We have had some wonderful comments on our new carvings at the entrance to the main cemetery.

Big thanks to Grev Bray carvings for our wonderful owl and moon-gazing hare.

The two remaining large pair of trees has now also been removed from the carriage drive and it is hoped to plant more spring flowering bulbs along this drive and also put in some flowering shrubs.

THE VILLAGE COUNCIL WISHES
ALL OF ITS RESIDENTS A VERY
HAPPY CHRISTMAS AND A
PEACEFUL AND PROSPEROUS NEW
YEAR

Bag it and Bin it !!

Please make sure you tidy up your dog poo by bagging it and then either putting it in a general public litter bin or dog bin or taking it home and putting it in your general waste/green wheelie bin.

On the last night of the Summer term, the 1st New Waltham team of squirrel scouts were out in the community in force! A bit of a litter pick followed by cleaning of the tables and equipment at Wendover Hall, Humberston. After such hard work it was hot dogs and ice creams all round!

As Baden-Powell said “try and leave this world a little better than you found it.” Fantastic job squirrels, leaving the park a little tidier than we found it. Although we must say, we only found half a bag of rubbish, most of which we were able to recycle. Thank you to Humberston Village Council for supporting our programme.

In September, it was time for our 1st New Waltham Cubs to give a little back to the local community, again, with the support and guidance of Humberston Village council, they removed the tree shelter guards from many trees and carried out a litter pick along the way.

CONGRATULATIONS !!!!

Well done to Lyn Doll, a Humberston resident, on her award as Best Neighbour for her work in her local Neighbourhood Watch Scheme.

Lyn was given the award for her work with her scheme which has over 50 members locally in Humberston.

Congratulations Lyn!

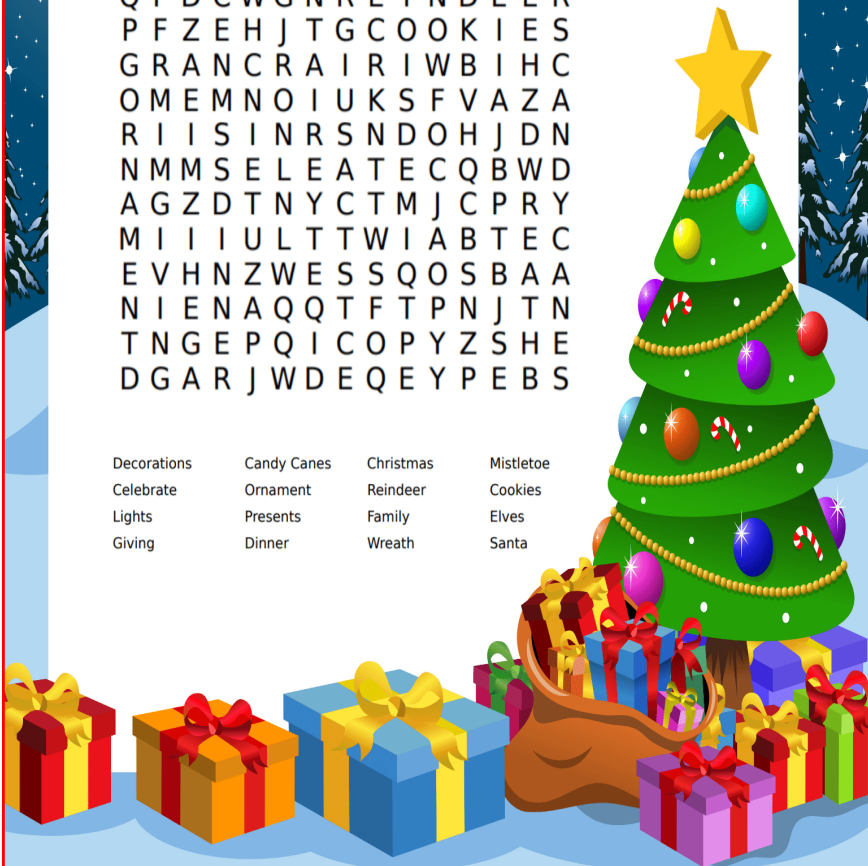

Lyn is third in from the left of the picture.

Also, in September, the 1st New Waltham Scouts to help the local community. This time, they set out cleaning and weeding Humberston Cemetery. The Scouts were extremely respectful and asked many questions. They did a fantastic job with the weeding of the paths and generally tidying up. As the sun set, they had the opportunity for a little time for some personal reflection.
